Hot Topic. **Why Safety Moments Matter**
Safety Moments are exactly what the name implies: opportunities to prepare for an activity, review safety measures and report incidents correctly. Safety Moments should be delivered at the beginning of all Scout meetings such as roundtable, committee meetings, unit meetings or an activity in order to discuss a hazard or risk that can be prevented.

Safety Moment. **Barriers to Abuse**
Scouting America has adopted certain policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. We will review the guidelines that registered leaders must follow.

Membership Moment: **New Member Coordinator**
Not every unit has a New Member Coordinator, but why do you need one? Come learn more about this valuable position and how it will benefit your unit.

Cub Scout Leader Breakout: **Recruitment Events**
Do you know your council's membership plan for formal recruitment events this year? And what are some of the strategic things your pack does for formal recruitment events? We'll update you on VHC plans, and talk about some good ideas for packs.

Scout Troop Leader Breakout: **Boards of Review**
We'll review the Who, What, When, Where, Why, and How of this important step in the advancement process.
